FAUST'S FRIDAY FACTS

Betton Hills Preparatory School

"Life is beautiful and there is so much to be thankful for, so even if your life isn't perfect, always be grateful and appreciate what you already have." - Roger Lee

THANKSGIVING BREAK

Betton Hills Preparatory School follows Leon County School Calendar. Betton Hills will be closed for Thanksgiving Break, November 23-27. We hope our families are able to spend time with family and friends. Please have a safe and enjoyable holiday. Students will return on Monday, November 30.

THANKFULNESS

November is a time that we celebrate "Thankfulness". Take a moment each day to be "thankful" for something in your life. This helps spread a little positivity around. When we think about things, we can find something positive in each and every day. We are beyond thankful for our wonderful teachers, students and families.

WINTER TESTING

We will start Winter Testing December 7-11 for VPK, Kindergarten, First and Second Grade. This will help us see the growth the students have made. VPK students will receive their reports in December. Kindergarten, First and Second Grade will receive their NWEA report with their report card in January. This is our mid-year check to make sure that our students are staying on their academic track. Please do not plan any appointments or trips during this week. Thank you for understanding.

TUITION

Just a reminder to keep your child's account current. Accounts that are past due after the 10th will have a $25 late fee attached. If payment is not made by the 15th of the month, student may not return to school until account is brought current. Unfortunately the price of so much has increased, so we must make sure tuition is collected so we are able to provide our students with the best for their academic success. December tuition will be due December 1st.

COOL WEATHER

We have been enjoying some cool weather in the mornings. Please make srue that you are putting your child's name on their coats, jackets or sweaters that they are wearing to school. It makes it much easier to find who they belong to when they are left in a classroom, bathroom, hallways, or on the playground. If their name is not in their jacket or sweater, teachers may write the child's name in it.

WELCOME

We would like to welcome two new staff members to our little school. Ms. Summer and Ms. Callahan. Ms. Summer is our preschool assistant in Ms. Phoenix's class. Ms. Summer is a former student of BHPS. She will be starting school at Kaiser for a degree Child Psychiatry. Ms. Callahan is our afterschool teacher. Ms. Callahan is currently attending FSU and is pursuing a degree in Elementary Education. We are excited to have them as a part of our team.

BOX TOPS FOR EDUCATION

Earn cash for our school with Box Tops for Education.

- Download Box Tops App
- Choose Betton Hills as your school
- Scan qualifying receipts in the app
- Submit qualifying digital receipts in the app
- Connect your Walmart and Box Tops accounts

Betton Hills will receive a check quarterly with the funds you earn.
Thank you for making a difference in Education.

HOLIDAYS

We know that several holiday are upon us. Many families have travel plans during these times. If you child will be missing school due to travel plans, please let your child's teacher know in advance. This will help our teachers provide students with the work they will be missing. It is important for students to turn in missing work at the requested time. Thank you for understanding.

WINTER BREAK

Mark your calendars. Betton Hills follows Leon County School calendar. Our Winter Break is scheduled for December 21st - January 4th. Students will return to school on Tuesday, January 5th. We hope you have an enjoyable break with family and friends.

FAUST'S FRIDAY FACTS

Our Faust's Friday Facts have been a part of Betton Hills for the last 38 years. We provide updates and information to help our families know what we are doing each week. We have changed the format due to Microsoft Publisher no longer being available. So our newsletter may look different, but it is still full of helpful information.
